CANBERRA CITY "WOWDIES" (CHEER SQUAD)

The "wowdies" led glamorously by Dianne Slavin are now permanent members of our match-day club promotion staging. Our girls were virtually formed in less than one week prior to the Sydney Olympic game and have worked tirelessly to entertain you during the playing of our club song, and, improve the chanting in support of the team during the game.

Appreciation goes to Woden Valley Glass, phone 81 6717, who sponsored track suits for the girls to keep them on the "boil" during the game. Suppliers were Paul Anita Enterprises, phone 88 6939, who also supplied and sponsored Canberra City shirts worn by the car raffle ticket sellers.

Welcome

This week we welcome Brisbane City, winners of last year's Philips Cup and a team not to be taken lightly. It would be fatal to look at the points ladder and wipe a team off because of its position. Fitzroy did just that two weeks ago and got a hiding. Brisbane City have spent \$60,000 to build their team and in so doing they have acquired some excellent talent. Steve Perry, striker and midfielder, has been in the eyes of the selectors for some time now and he has acquitted himself well. He is at present

the pointscore leader for the most outstanding player in "Soccer Action". Kelso, a newcomer to P.S.L. Soccer has performed extremely well in scoring a goal in his second match and seems to be one player Johnny Warren will keep his eye on. Kim Wishart, 21 year old goalkeeper has done an excellent job for City. We are extending a warm welcome to coach Dennis Ford and his team and hope they will have an enjoyable time, win, lose or draw.

OUR SONG

We'll Be With You"

Canberra X X X
Canberra X X X
You're the boys in gold and blue
We're the ones who'll see you through
Canberra X X X

Our Junior Club of the Week is

BELCONNEN SOCCER CLUB

The Belconnen Soccer Club whose boys serve as ballboys and guard of honour today was formed in 1969 soon after the opening of the first suburbs in the area as a district-based organisation with the intention of offering football to players of all ages and standards.

It was hoped that with a broad based junior structure, enough local talent would be forthcoming over the years to produce senior teams which can compete successfully with the established ethnically-based clubs and give soccer a wider district appeal and support.

In spite of the lack of success in this direction to date, this philosophy is still considered correct and for that reason, the club has remained a single unit in spite of becoming numerically by far the biggest club in the A.C.T. Junior League — and perhaps in Australia. From its beginning nine years ago when it fielded three junior teams, the club now has 74 junior teams

between under 7 and under 17. Not surprisingly perhaps, the club has been the most successful in the Junior League, it has won the Club Championship every year since its inception.

Two of the ex-presidents of the club are well known personalities associated with football in the A.C.T. — Rod Jory and David Dillon. Another erstwhile president who will undoubtedly make a large contribution to the development of soccer in A.C.T. is Ken Carter who is presently a Vice-President of the A.C.T. Soccer Federation.

On a lesser, but equally important scale, the unselfish and willing contribution of the managers and coaches of junior teams in the club and should be gratefully acknowledged — without them there would be no junior soccer.

If you wish to know more about the Belconnen Soccer Club, ring Mike Welch 58 2224.

A.C.T. PRIMARY SCHOOLS KNOCKOUT COMPETITION

Thirty-two schools have participated in this inaugural Knockout Competition. The competition which was open to all Primary Schools in the A.C.T., began in April of this year and was played during school time.

The schools which have emerged to play the final today are Pearce and Weetangera. In their way to the final Pearce defeated Flynn, Hughes, Watson and Mt Neighbour, while Weetangera defeated Chapman, Macgregor, Melba and Farrer.

The teams are playing for the Canberra City Cup, which is a perpetual trophy.

This is a replay of the match played on 8th July, 1978 when it ended in a draw.

FOOTBALL LEAGUE NOTES

COMMENTS: A second youngster this season from the Federation football league arena has recently had selection as a squad member for two games with our P.S.L. team. The earlier player was Phil Reis, aged eighteen who was given an opportunity in mid-season, and now we offer our congratulations to Bernard Lustica, also eighteen, for his efforts in gaining the opportunity to play for Canberra City in The Philip Soccer League. Bernard is a tenacious player and always gives 101 per cent effort to his game.

A.C.T. U/16 REP TEAM: Twenty-one players have now been selected for the final training squad from whom sixteen players will be later selected in the travelling party to represent the A.C.T. in the State Championship to be conducted in early September. The training squad players are: Mike Vanlimbeek, Glen Havelock, Bill Burdof, Terry Ridley, Chris Dillon, Bruno Ceraolo, Greg Fern, Brian McConnel, Jeff Dunn, John Londos, Con Iliadas, Garry White, Alan Alfrink, Alex Fairbairn, Derick Murphy, Peter Orsag, Ian Thompsett, Craig Leith, Jari Nousianen, David Gwyther, Alan Reis.

WOMEN'S SOCCER

The first round of the Women's Soccer Competition was held on Sunday 23 July. The adverse weather and ground conditions did not discourage the enthusiasm of the players. The results of the first round were: Northern Lights 3 d Hawker College 0. ANU d Downer Olympic on forfeit. Transtate Tyres 5 d Weston 3. Canberra City South 6 d West Woden Juventus 0. Friendly Game: Canberra City North 5 d CSIRO 1.

The referees involved in the various games must be thanked. The A.C.T.S.F. had asked them to be tolerant and they were — explaining each situation as it happened.

Over the page is the draw for the rest of the competition. If you have nothing better to do on a Sunday morning, come along and give your support to the women's enthusiasm.

CANBERRA CITY CATS

The former Canberra City Cats has expanded and is now divided into Canberra City North and South and with Buttercup Bakery sponsorship, will be known as Canberra City North Buttercups and Canberra City South Buttercups.

Players from both teams are involved in fund-raising activities not only for the Women's Soccer Competition being held this year, but also so they can compete in a full competition next year. Thanks are extended to the Charnwood Service Centre for use of their facilities in holding a car wash.

To assist in our fund-raising campaign more sponsorship is still needed. If you are able to assist by way of cash donations, soccer balls, nets, donations of prizes to be used in raffles, etc, please contact Lola Donda on 88 1477.

Corison Comments

There has been much speculation in the Press and around the town, on ways and means of Canberra City improving its playing strength for 1979 — an absolute must of course if City is to match it with the so-called leading clubs.

Here are my thoughts for Canberra City's administration and supporters.

(a) a player development fund be instituted immediately whose sole purpose is to get three top players for City. If 500 of the really dedicated Canberra supporters put up \$100 donation each, the Club will have the funds to get three top players including two strikers.

(b) The Promotions Committee ought to be planning now for

(i) increased gate charges, but allow a generous discount on family season tickets for 1979, and start selling them for Christmas presents now;

(ii) more lavish promotional days at Bruce, with greater involvement of the minor amateur sports;

(iii) increased bus services;

(iv) better TV coverage, with the Philips Top Soccer Show being broadcast mid-week in addition to Sunday afternoons.

(v) direct radio broadcasting;

(vi) more promotional ventures with schools, shopping centres, and radio stations;

(c) the solid promotion of the Club premises so that a wide variety of social activities are available in the City especially on Friday and Saturday evenings.

(d) the need to gain an International match in Canberra at Bruce especially against a touring club team.

(e) the appointment, as soon as possible, of a full-time Public Relations consultant to handle the promotion of City, both in Canberra and interstate.

I believe quite strongly if City took all of the above steps quickly, then a regular crowd support between 10,000 and 20,000 would be guaranteed for 1979. How about it, Canberra City?
